

BOY SHOT BY 'UNLOADED' GUN

Carl Chadwick in Critical Condition Following South Fork Accident

Carl Chadwick, 18 years of age, son of William A. Chadwick of Liberty, is in a critical condition at the Dee hospital following an accidental shooting yesterday afternoon at Maple camp in South Fork canyon. He was taken to the hospital by Deputy Game Warden W. H. Anderson and immediately operated on by Dr. Ezra Rich. His intestines were punctured in four places by the bullet.

Chadwick was accidentally shot by Elroy Montgomery, a boy chum, with a .32 caliber automatic pistol, both young men believing the gun to be unloaded when the accident occurred.

According to information gathered by Sheriff R. D. Pincock and Deputy Sheriff D. F. Steele immediately following the receipt of the news at the sheriff's office, Chadwick, accompanied by Glen Ward, Angus Shaw, Clarence Shaw, John Montgomery, Orval Holmes, Carl Hill, Clive Hill, Leslie Bailey, Ira Southwick and Elroy Montgomery, went to Maple camp on horseback. Prior to the accident the boys had been practicing shooting at a target and believing the weapon to be fully discharged Elroy Montgomery took it in his hand when the accidental shooting occurred.

Chadwick was struck in the abdomen, the bullet puncturing the intestines in four places.

Deputy Game Warden Anderson was camped near by and immediately brought the wounded youth to Ogden. Sheriff Pincock said this morning that the investigation proved that the shooting was accidental.
